complete this form: tinyurl.com/VetDay2020

Every year Grayslake Central High School proudly hosts a Veterans Day assembly and breakfast to honor and thank our local veterans for their service. While we cannot host those events this year, we would still like the opportunity to recognize our veterans and those currently serving from the safety of their own vehicles by hosting a drive-thru parade in the school parking lot.

All parade attendees will receive a meal voucher
courtesy of a local restaurant.
